FOR IMMEDIATE RELEASE:

Cleaning Technologies Group, LLC Hires Jared Moore as a Chemical Sales Manager

March 15, 2019 – Cincinnati, OH

Jared Moore has joined Cleaning Technologies Group, LLC as a Chemical Sales Manager, effective March 2019

"Jared comes to us with a strong chemistry background and has the ambition and drive that our growing organization desires but also the superb customer service skills that our customers demand" – Jeff Mills, VP of Ransohoff Sales.

Jared is an experienced Sales Executive with a background in chemical sales. Jared has worked in surface finishing for over two decades – working closely with clients to overcome the challenges of cleaning both metallic and non-metallic surfaces. Jared resides in the greater Cincinnati area with his family and is active in service and mission work of New Life Chapel (Chemistry degree from Miami University as well as Certified Electroplater-Finisher certification from the NASF).

Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff located in Cincinnati, Ohio; Blackstone~NEY Ultrasonics located in Jamestown, New York; and CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.

NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, a world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.
