FOR IMMEDIATE RELEASE:

Cleaning Technologies Group, LLC Promoted Kevin Pahl to a Regional Sales Manager

March 22, 2019 – Cincinnati, OH

Kevin Pahl has joined the sales team at Cleaning Technologies Group, LLC as a Regional Sales Manager, effective January 2019.

“Kevin comes to us from the Ransohoff Engineering department with years of experience in parts cleaning and a strong ambition to succeed in sales” – Jeff Mills, VP of Ransohoff Sales CTG, LLC

Kevin started at Ransohoff as a Design Engineer in 1992 and worked his way through several Engineering management roles over the next decade. While in engineering he coordinated several programs for Chrysler and Ford that included hundreds of conveyor type machines combined with central fluid cleaning systems along with numerous monorail systems for condensers and radiators. Kevin then moved to the Purchasing Manager role where he was able to utilize his engineering background for strategic alignment of suppliers to optimize our supply chain. After a period in the aerospace industry as Purchasing Manager, he returned to Ransohoff and held a position as Sr. Project Manager in Engineering. Kevin currently resides in Loveland, Ohio.

Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff located in Cincinnati, Ohio; Blackstone~NEY Ultrasonics located in Jamestown, New York; and CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.

NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, a world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.
